Dear Pastor and Friends,

Warm greetings from Thailand!

Last year was certainly a challenging year in many ways. I trust all is well with you and your church family.

Near the end of the year, my Father passed away after suffering for about six months. It was a large funeral, held at the village in my hometown. My mother's health is also not good. Please pray for her, that she will get saved. I have witnessed to her many times.

A young lady who has been attending our church, Praow, got saved and baptized. She works for one of the ladies in our church, and has been faithful in her attendance. Please pray that she would continue to grow in her walk with the Lord.

Recently I baptized two more of our people – Golf and Ben.

Many Pastors and churches from all around Thailand came to our annual conference. We had a wonderful time. During the conference 3 people were saved. Everyone enjoyed the preaching and fellowship with each other. Many were encouraged and went away feeling strengthened in the Lord.

Thank you for praying for Tai's surgery. They removed the 3 tumors in her sinus/cheek. However she has continued to have issues, and at her last followup appointment the doctor gave her some additional medicine and said she will need to go back for a further checkup, and if everything has not cleared, then he will discuss the options with her. Please continue to pray for Tai and that her sinus' will heal before her next appointment.

Covid has just reached its third wave here, and by far has been the worst. We now have many active cases in Nakhon Sawan. As a precautionary measure we will livestream church for the next couple of weeks and monitor the situation. Please pray God's protection on our church family.

Thank you again for your continued prayers and support for our family and the work here in Nakhon Sawan. God bless you!

Sincerely, Joe & Tai
